

## TIP 4/12 – Enhance your curves

***Highlight from the expert : Press the Eyelash curler 3 times at the base, middle and tip of the lashes to achieve natural looking curve.***

**1** – Apply one or two coat per eye of the **Nourishing mascara base** as a primer. For those who don't have a lot of lashes, it will add a little bit of curl to help build the perfect lash.

**2** – The **Nourishing Mascara Base** will also make any mascara Waterproof !

**3** – Using 2 mascaras is recommended to get the ideal finish : **Perfect Mascara Defining Volume** gives full definition and adds volume. **Perfect Mascara Full Definition** will shape and achieve link and separation.

**4** – Rotate brush several times in the lashes to get the ideal amount of product. Start by applying Mascara from the base to the tips and move your Mascara brush from left to right.

**5** – Use the **Automatic Fine Eyeliner** to intensify your look with a really thin black eyeliner line applied at the base of the eyelashes..
