

TIP 9/12 – Timeless Beauty

Highlight from the expert : Play with your eyes in your 20's and play with your lips in your 40's.

1 – In your 20's, apply the **Perfect Hydrating BB cream** to naturally unify your complexion. According to your skin type, you can even skip the moisturizing step.

2 – In your 40's, you need a foundation that will cover your skin while operating its anti-aging function, **Radiant Lifting foundation** is your match!

3 – In your 20's, intensify your eyes using the **Shimmering Cream Eye Color in Caviar (BK912)** on the entire eyelid to get a smoky effect.

4 – In your 40's, to give power to your look, apply a little amount of **Smoothing Eyeliner Pencil** as the root of your lashes...

5 – In your 20's you can play with brilliance and prefer the **Lacquer Gloss in Baby Doll (PK304)** it will reveal your youthful glow, but prefer a matte finish lipstick in your 40's.
